Quantum-Touch®

Interactive Basic Video Workshop Overview

We are pleased you have purchased the Quantum-Touch Interactive Basic Video Workshop and we welcome you to the Quantum-Touch Community of Practitioners, Instructors, students, and friends.

Quantum-Touch Mission

Richard Gordon, founder of Quantum-Touch, created the Interactive Basic Video Workshop to give people the opportunity to learn and practice Quantum-Touch at home. By making Quantum-Touch accessible by video, we envision millions of people helping each other through energy healing; we intend for the family of humankind to draw closer through the innate and universal power of loving each other. Ultimately, we intend that people use Quantum-Touch as a vehicle to help them recognize the value and impact of their love.

Facilitate a Video Workshop

Many people who purchase the Video Workshop choose to **facilitate** a video workshop. Video workshops with one (1) facilitator and two (2) or more participants (for a total of 3 or more attendees) can receive Quantum-Touch Basic Workshop course credit. **You can choose to watch the video by yourself, but Quantum-Touch does not give course credit for watching the video alone.**

What's Next?

Quantum-Touch Basic Workshop credit counts as the necessary pre-requisite to attend **Quantum-Touch Advanced Workshops**. The ***Supercharging Workshop*** teaches participants how to increase the power of the energy, sometimes doubling the energy flow and producing longer lasting results from sessions. The ***Core Transformation Workshop*** teaches participants how to go deep within to access a tranquil power that is truly life changing and transformational. The ***Core Transformation II Workshop*** furthers the exploration of blockages – paying particular attention to unresolved emotions, how allergies manifest, and other illnesses. Students may attend Supercharging or Core Transformation I in any order.

To learn more about these workshops, please visit us at www.quantumtouch.com

Students may also apply the workshop credit towards the requirements to become a **Certified Quantum-Touch Practitioner and Instructor**. Certified Practitioners and Instructors can **create a career** by doing Quantum-Touch sessions or teaching Quantum-Touch! Please visit our website at www.quantumtouch.com for the complete list of Practitioner and Instructor requirements.

How to Facilitate a Quantum-Touch Basic Video Workshop

As a "Thank You" for facilitating the video workshop, the facilitator receives \$40 USD per student and free registration! (a \$50 USD value!)

Set the Basic Video Workshop Dates

- The Interactive Basic Video Workshop contains 4 three-hour sessions. Most people hold the video workshop as a two-day workshop with a morning and afternoon session for each day. **Please allow additional time for a lunch break and personal short breaks throughout the workshop day – outside of the actual 12-hour DVD viewing.** The workshop can also be held as 4 separate sessions within a month (i.e. four evenings).
- If you would like the workshop to be posted on the Quantum-Touch website, please send an email to: updates@quantumtouch.com with the workshop dates, workshop location, and your contact information.

If you would like to receive Course Credit: Gather two (2) or More Participants to attend the Interactive Basic Video Workshop (for a total of 3 attendees).

Suggested ways to attract students:

- The CD, "Accelerated Healing," (included in your package of materials) assists prospective participants in understanding Quantum-Touch.
 - You may order additional CDs at \$1.00 USD each, plus S&H, or make duplicates of the CD.
 - Students may also listen to CD online at www.quantumtouch.com
- Posting the video workshop on the Quantum-Touch website can also help you recruit students.
- Consider hosting a **Healing Party or a Lecture/Demo!** Details about the Healing Party Program are on the Quantum-Touch website at www.quantumtouch.com

Gather What You Need To Facilitate the Basic Video Workshop

- A TV and a DVD Player
- A Comfortable Place
- 1 oz Dry White Wine (preferred) for each participant.
 - (Alternatives: orange/grape juice, Gatorade[®], soda)

Please Remind Each Person who attends the Basic Video Workshop to:

- Arrive at least 15 minutes early for each session
- Wear comfortable clothing
- Bring plenty of drinking water and light snacks
- Bring a Yoga Mat, blanket, or towel (a few of the sessions may be experienced lying down)
- Bring pen and paper for note taking
- Refrain from wearing perfume or leather (except belts and shoes). We have discovered that leather seems to drink up and absorb Life-Force Energy like a sponge, as if it is trying to come back to life. Energy does not move through leather well.
- If you are hosting a two-day basic video workshop, a meal break should be scheduled. Participants may want to bring lunch.

Facilitate the Basic Video Workshop

- Show the interactive DVDs
- The interactive DVDs include practice sessions. When it is time to practice the exercises or sessions, simply stop the interactive DVD for that amount of time. *Please remind everyone to breathe!*
- You do not have to know the material or answer any questions. This is all taught and covered on the interactive DVDs by Richard Gordon.
- Everyone will learn to run energy and see bones spontaneously move into alignment. Pain is reduced and healing is profoundly accelerated.

Complete the Interactive Basic Video Workshop Forms and mail or email them to Quantum-Touch, Inc.

- Complete the **Facilitator Cover Sheet**
- Have each participant complete the **Video Workshop Registration Form**. The Facilitator Cover Sheet and Video Workshop Registration Form are included at the end of this information packet.
- Collect the **\$90 USD Interactive Basic Video Workshop Course Fee** from each participant. The Video Workshop Course Fee includes a **\$40 USD Facilitator Fee** and a **\$50 USD Registration Fee**.
- Remember, as a “Thank You” for facilitating the Basic Video Workshop, the facilitator keeps \$40 USD per student, receives course credit and does not pay the \$90 USD Video Workshop Course Fee.

Video Workshop Pricing Policy:

- The current rate for the “Interactive Basic Video Workshop” (VWS) is **\$90 USD**. In addition to the \$90 USD registration fee, you may charge up to an additional **\$30 USD** per person (for a total of \$120 USD) to cover a venue fee or other expenses associated with facilitating a video workshop.
